

# O-2 Connect Fall Bike Ride

May 5, 2009

**Connections**  
Of Central New York

Dear

Onondaga Community Living, Inc. and Connections of Central New York, Inc. are sister agencies in upstate New York supporting men, women and children with developmental disabilities. We are working together to bring a Fall Bike Ride Event to Upstate New York on Saturday, October 3, 2009.

It is so important in these difficult financial times that agencies like ours do what we can to raise funds for those we support. Because of our love for the Upstate area, we have organized a community event that can bring recognition of your company through the rolling hillsides of our community, from central New York apple country and turkey farms to the beautiful shores of the Seneca River and Lake Ontario.

At this time we ask you to partner with us as a sponsor for this event. We are both non-profit agencies requesting your company's contribution in the amount of \$2000. As a major sponsor we will place your company logo and link to both agencies websites, print your logo on the flyers and place your logo in a prominent place on the cyclists t-shirt. In addition, we will display your company's banner at check in, distribute any promotional material you send us, send you a certificate of appreciation, and include your company as a major sponsor in all press releases.

We hope that you will join with us in this event. If you have additional questions or would like to speak with one of us, you can reach either of us at 315-434-9597. We will be in contact with you in the near future about your decision.

Sincerely,

Patricia Fratangelo  
Executive Director, Onondaga Community Living
